

**British Society of  
Rehabilitation Medicine**  
Promoting quality through  
education and standards

## Joint meeting of the SRR and BSRM October 14<sup>th</sup> & 15<sup>th</sup> 2019 The Slate, Warwick University

The British Society of Rehabilitation Medicine and  
The Society for Research in Rehabilitation look forward to welcoming you to their Joint  
Conference at Warwick University

**Abstract submission is now open – closing date 1 July 2019**

A packed programme of fascinating symposia and free paper platform  
presentations as well as scheduled poster walks and exhibition awaits you

### **Themes include:**

- Complex rehabilitation problems – three separate sessions including sleep, spasticity and ethics
- Elderly care rehabilitation – towards independent living including autonomous vehicles, driving with dementia, driving assessment, amputee rehabilitation and neurological injury in the elderly
- Cardiac rehabilitation
- Goal setting in rehabilitation, theoretical underpinnings and alternative strategies
- ‘Play’ in rehabilitation and the importance of habits and rituals in rehabilitation
