

Society for Research in Rehabilitation

Appropriate for healthcare professionals & academics with an interest in rehabilitation

Winter 2011 Programme

22nd February 2011

09.00 Registration and Coffee

09.40 Welcome and Introduction

Dr Chris Burton - Bangor University
Dr Robert Van Deursen - Cardiff University

10.00 Symposium :

**“Synthesising evidence in rehabilitation:
challenges and new approaches”**

Dr Diane Playford

*Senior Lecturer - University College London &
Chair, NICE Guideline Development Group
(Stroke Rehabilitation)*

Professor Jo Rycroft Malone

*Professor of Implementation & Health Services
Research - Bangor University*

The session will focus on the challenges of traditional approaches to evidence synthesis in rehabilitation research.

Dr Playford will be taking a NICE perspective - theory and practical challenges. This will be contrasted by Prof Rycroft Malone who will be presenting work from her realist syntheses of evidence.

10.45 Coffee and Poster Viewing

11.00 Free Research Papers (4)

12.00-12.30 Business Meeting

12.00-1.30 Lunch and Poster Viewing

13.30 Symposium :

**“Generating evidence for practice: an
Australian perspective”**

Professor Kathryn Refshauge,

*Deputy Dean Faculty of Health Sciences -
University of Sydney*

The session will provide an overview of her work in musculoskeletal therapy to highlight an Australian context for the generation of evidence for clinical practice.

15.00 Tea and Poster Viewing

15.20 Free Research Papers (4)

16.20 Close of Meeting

16.30 Finish
